

Newsletter

End of week one, once again thank you for your support in following the new procedures, these will evolve across the year as the guidance changes and we will keep you up to date when they do.

As a staff we are extremely pleased with how the children have settled back into Falla Hill and are very proud of them.

There are two documents sent out with this newsletter from NHS Lothian, please do read them and follow their guidance.

Updates and reminders

- Flu vaccination letters, if you haven't returned your child's letter please do so.
- As part of our recovery from lockdown we will be spending more learning time outside, please remember to send the children in with a suitable coat and footwear as we will be out in almost all weathers including at break and lunchtime. Obviously the health and safety of the children and the staff will be foremost in our minds.
- Do keep visits to the school site to a minimum and only come on the playground with your child or to collect your child if you feel they really need you to. Remember to be socially distant when waiting on the school site.
- PE days for this term. Practical PE will begin this Monday (24th).

		PE Day	PE Day
