Showing How Good Can We Be?

Our Validated Self Evaluation visit is over, we are pleased (not because it's over) that the team could see how engaged and hard working our children are. The team spoke to a whole range of children and they spoke with confidence and pride about Falla Hill! Thank you to the parents and our partners who came and talked so positively about the work we do and the presence we have in our school community.

There are, of course, areas for us to develop and improve as a team and an organisation and we will work, almost all of which are already in our school improvement plan. We will keep you updated.

Updates and reminders

- September weekend next week – we finish on Thursday 12th and come back to school on Wednesday 18th September.
- Speaking of Thursday 12th September, have you ever had buyers regret? I am starting to think that allowing 195 children to throw wet sponges at me was not my best choice! However, I am sure on the day I will greet it with humour and grace – please do encourage your child to get some sponsorship as the money we raise from each pupil – however small – will help us enrich their learning.

Nursery

'This week in nursery, the children have been developing their knowledge of digital learning in our new area. We have been discussing how to use our Ipad safely and what they would like to learn while using the devices. The children are becoming Confident Individuals as they serve themselves their lunch, making their own choices.'

Falla

Falla has had a hugely busy week in P3, he's been reading, writing, working on his number talks strategies. He has been involved in different groups and their learning through play and he met our visitors as well!

Well done P3

Falla is off to P2/1 next week

Reaching for the Stars

Reaching for the Stars is where children demonstrate being a responsible citizen, effective contributor, confident individual or a successful learner – which are the four capacities for learning in the Curriculum for Excellence.
