

October Oratory

October Oratory (best 'O' word I could find for talking, as it has to be alliteration) and in October we will be talking about how good the children are what they can do to develop (parents' evening). We will be renewing targets with the children and looking forward to term 2.

Sponsored event was a huge success, who knew the children would want to hit me so much and so hard with wet sponges. Thank you to your generosity – we have raised over £2220 and we will be discussing with the children how we can spend the money left over after The Panto is paid for.

MacMillan – thank you for a fantastic turn out – we raised over £160 for MacMillan, once again thank you for your generosity.

Acorn Awards – Our P7 group shared our presentation with the four visitors from Levensat. They created a fantastic scale model of renewal energy machine and they impressed the committee with their oratory in explaining their idea. Well done Lannah, Rebecca, Amelia, Jay, Lauren & Sophie.

Vertical groups next and the children are really getting into the detail of their leadership group projects, our Numeracy and Literacy champs took part in meetings online this week and our children's rights champs have a big meeting coming up in November.

We will have the Scholastic book fair in school for parents evening next week and you are welcome to come in a have a look on Monday and Tuesday.

House Captains

Hello this is the Forth Bridges house captains Chloe and Sophie. The house captains have had a busy month helping with soaking Mr. McCusker, the MacMillan coffee morning and helped out with visitors by giving them a tour of our wonderful school. We have settled in very well as just being the new house and vice captains, there is lots to help out with in the school and also going to our meetings!

We enjoy being house and vice captains, two of our favourite jobs are lunch bands because we get to go up to the lunch hall and get them once everyone is back in class and helping in assemblies because we give out stickers and click the slides on the laptop and sometimes even say the rewards in front of the full school and it gives us confidence speaking in front of crowds! Anyways so that's all from Forth Bridges thank you for reading!

Nursery

“This week in nursery, the children have had lots of discussions all about bridges which have led the children to designing their own bridges using the large and small blocks. We have looked at different styles of bridges and talked about how bridges are used and why? The children enjoyed visits to 'Bookbug' and the 'Forest', developing their awareness of how to keep safe in the local community.’

Falla

Falla has been working hard in P3 this week, reading, writing, working on his calculations. He has also been working with the P3s on their critical thinking through play.

This week Falla is off to

Fantastic @ Falla Hill

Reaching for the Stars

Reaching for the Stars is where children demonstrate being a responsible citizen, effective contributor, confident individual or a successful learner – which are the four capacities for learning in the Curriculum for Excellence.
