

November Knowledge

Well done to our P7 readers who coped admirably with the weather and the lack of a microphone to read out the names on the Fauldhouse memorial at service on Sunday.

The House Captains did a brilliant job with their Children in Need day, thank you to all who participated.

Another week of learning at Falla Hill and some of the children have been talking about their knowledge through their learner conversations. In P3 they have been improving their understanding and knowledge of how to multiply 2 digit numbers by 1 digit. In P1 they know more about numbers to 10 and 2d shapes, in P2 they know more about 3D shapes and writing sentences about the books they are reading. In P6 they know more about DNA after working with the University of Edinburgh. P5 know a lot more about floating and sinking, whilst in P7 they have been multiplying by 2 digit numbers and in P4 they have shown that they know and understand more about adding and subtracting – particularly with money.

Nursery

'This week the children have been having lots of discussions around 'People who help us' and how they can look after us. Some of the children are becoming 'Responsible Citizens' as they demonstrated very good self care skills when out in the local environment. This supports their early awareness of safety in life.'

Falla

Falla in P3 has been working on Reading, Writing and has been enjoying learning through play in the construction area. He has helped with Art and been part of the rehearsals for the nativity (he is gutted he doesn't have a part). Next week Falla is off to
