

November Knowledge

Children in Need raised £257.43 which has been passed over to them – they thank you and us for our generosity.

Another knowledgeable week of learning at Falla Hill. P5 have been working on multiplication and division, and have been writing about hurricanes. P1 have been working on subitising (visually seeing a group of objects and knowing how much there are without counting – eg – dots on a dice or dominoes) and using numberlines to add. P2 have been working on missing number calculations using the information they have in a calculation to work the missing number. P7 have been working on subtraction with exchange and P4 know more about the words, phrases and emotions used to sell as they have been using persuasive language to make adverts! P6 have worked on a range of tasks related to their class novel 'Holes' and book week I particularly liked the 'evil' make-up task and I learned about baddies and what make up they used. P3 received a visit from a Paramedic and their ambulance and they learnt about all the equipment and function of the equipment (and of course got to hear the siren).

St Andrew's Day

A week today (29th) is our dress in tartan or blue for St Andrew celebration – we have been listening to Home by Nathan Evans as part of our assemblies as well in preparation for Friday. Scotland playing exceptionally well and winning two games in a row last week, makes this a great week to celebrate St Andrew. There will be hot rolls and crumpets at breakfast club (for the children) on the 29th as well.

We are asking that children bring a donation for our Christmas Fayre Tombola.

Updates & Reminders

- November 29th – wear something Tartan or Blue for St Andrew and bring a donation for the Falla Hill Christmas Fayre Tombola.
- Money Week certificates were given out in assembly today by our Numeracy Ambassadors – Daniel and Morgan from P6.
- P4 Advent Assembly on Monday our first seasonal event, we are looking forward to it very much.

Parent Council

A well-attended parent council last night where plans were finalised for the parent council's involvement in the Christmas Fayre. Discussions around how the parent council could support the school in applying for funding for after school clubs.

The parent council will be selling raffle tickets at the advent assemblies and raffle books will be sent out early next week. We will groupcall a letter today regarding the parent council raffle.

The next meeting is in March – please come along and see what's involved.

Nursery

'This week some of the children went to Crofthead Care Home to visit the residents. We sang nursery rhymes and told the residents all about our busy day at nursery. The children requested lemon and limes to add into their water, leading to discussions about the sour taste of the lemons and how else we could use them in our imaginative play experiences. We also went to our Book Bug session at library and had fun singing songs and using the puppets.'

Falla

Falla had another busy week in P6. He learned how to do a lab report in Science, created a diversity word art, excelled in some maths challenges and of course was very busy with the book week work too. He also went to visit P6s buddies in P1! Next week Falla is off to P4!
