

Falla Hill

Thank you for all the responses to our consultation on the school's values and vision, we have had some very thoughtful responses and we will be looking at them in depth as a staff and with the pupil leadership groups. If you haven't completed the questionnaire please do so. <https://forms.office.com/e/XC5SD30a7B>

Also, thank you to all who have let us know that they are planning to attend next week's Big Breakfast, if you are planning to attend please let the office know by Monday so we can plan for the numbers.

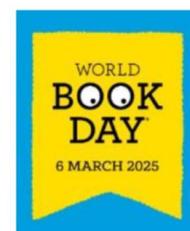

Another busy week of learning around Falla Hill this week. Most classes have been completing reading assessments with their class teachers, P6 have been doing their Europe project presentations and learning little bits of different European languages. P5 and P5/4 have been writing persuasively, P4 have been learning how to divide numbers in Numeracy. P7 have been learning about prime numbers and P1 have been working on their letter sounds, P3 have been working on their digital skills and P2 have been showing off their reading skills.

Updates & Reminders

- Class assemblies this year will be showcased to parents & carers only, two reasons for this, one – to allow as many mums, dads, grandparents etc to attend as wish to and, two – we have more pupils in almost every stage now so space would be very limited if the whole school attended.

- World Book Day Competition

We are challenging you to get creative this world book day. We would love to see an everyday object turned into a famous book character or your favourite book character. We are thinking a potato, wooden spoon or a small plate – but we know you will have more ideas than us, the possibilities are endless! Some photos ideas are included at the bottom of this note to spark your ideas ☺

The competition entries will be due on World Book Day itself, which is Thursday 6th March. We will have a look at them all and announce our winners at assembly on the Friday (7th March) where there is certificates and prizes to be won!

We cannot wait to see what amazing entries come in. Good luck and have a booktastic time ☺

RRS Challenges

Article of the Fortnight - Article 29

Children's education is connected to promoting awareness about sustainability, environmental protection, and the importance of recycling.

Our RRS Vertical Group have set some challenges for you to do at home.

How many can you complete?

- Put all of your rubbish in the bin (Peyton/Tegan)
- Help animals by recycling your plastic (Lacey)
- Clean up the garden (Maisie/Logan)
- Put away food waste in the correct bin (Maisie/Logan)
- Go on a litter pick (Maisie/Logan)
- How much plastic can you recycle in a week? (Rhys/Jamie)
- Instead of wasting food, put it in a tub or tinfoil to eat it again at a different time (Evie/Skylyr/Myla)
- Grow some flowers (Andrew/Kruz)

Nursery

'This week in nursery we have started our new topic 'Life cycles of Animals and Plants' which has come from the children's interest of living things. We had the relaunch of our Big Bedtime Read which was a great success! The children wore their pj's and our special people came to hear all about the launch. The children looked very cosy and enjoyed taking their books home.'
