

Falla Hill

P5/4 and P5 had their assembly this morning and showed great creativity, collaboration and confidence in presenting their STEAM learning to parents and family. I was very impressed, in particular, with their innovation in creating brand new communication systems and their dedication in designing them. Thanks to all who attended.

Rights Respecting Schools

Well done to Ella in P5 who created the West Lothian Rights Respecting Schools mascot and a big well to the whole RRS leadership group for creating the missions statement as well!

We also announced the name of our new group...

- **Rights Respectors** - Name
- **Rights - A - Saurus Rex** - Mascot
- **Working together to keep our rights alive. Don't let them go extinct!**

Thank you to Ella from Falahill Primary School for designing our winning mascot - Rex 🦖

P6 and the Glasgow Science Centre

A group of 6 P6s took a representation of their class's DNA hunters learning to the Glasgow Science Centre and shared their knowledge with hundreds of fellow students from schools around the country.

They represented themselves and Falla Hill brilliantly.

Updates & Reminders

- Ethos Survey 2024-2025: Primary - Parents/Carers
<https://forms.office.com/e/9BhMrCrvUa>

Sports group

The Sports vertical group have created this questionnaire with Mrs Burns about our after-school sports club offer, it should only take a couple of minutes to complete

- <https://forms.office.com/Pages/ResponsePage.aspx?id=oyzTzM4Wj0KVQTctawUZKY1hZf61RVdGtHrqQcVzYbNUNjFBM1RQOVFLUEVETIQxTjRJWUesyR1I3SS4u>

Dance Festival

Our dance squad took part in the dance festival at The Regal in Bathgate on Wednesday. They performed a Harry Potter themed routine and it was very well received by the audience!

Health Week

There are so many brilliant activities planned for Health Week – 31st March – 4th April, we will give an overview in next week's newsletter, but there will be football, fruit kebabs, swimming for P4 – P7, dance classes, mindfulness and wellbeing and badminton – just to name a few of the activities planned!

Nursery

This week in nursery, the children have been developing their knowledge of Worm life cycles. Some of the children had found worms in our garden which led to the children finding 'Worms' in our wormier in our nursery, we had lots of fun investigating them. The children have also been learning the properties of a flower and the different kinds of flowers in our garden. We are developing our knowledge to care for living things. Mrs McLeary has successfully trained in PEEP so keep a look out for parent groups starting.

RRS Challenges

Article of the Fortnight - Article 2

No Discrimination -All children have these rights no matter what. All children should be treated equally.

Our RRS Vertical Group have set some challenges for you to do at home.

How many can you complete?

- Include others in your games (Lacey)
- Play a game with your family this week (Maisie/Logan)
- Make sure everyone gets a turn in games (Leoni/Amelia)
- Make a new friend this week and try to find out as much as you can about each other (Archie/Kinsley)
- Play fairly and don't cheat in your games (Aria/Jacob)
- Play a different game every day and let everyone have a turn choosing the game (Leela/Sofia)
- Let everyone join in (Andrew/Kruz)

Caught Being Good

CBG this fortnight will be linked to Article 2 and playing fair (including everyone)
