

Falla Hill

A short newsletter this week, there has been so much going on there hasn't been time to get it all down on paper.

P2 & P2/1 had their class assembly, it was based on their learning of mining, the history of mining and how that relates to them and Fauldhouse. They were brilliant, so confident; they sung three songs and performed them beautifully. Once the assembly was over, they took their grown-ups to see the museum that they had created. We are so very proud of them!

Rotary Quiz

The Falla Hill quiz team came through an epic competition last night (20th) scoring 37 and a half points (two points behind the winning school) and achieving a 3rd place finish and a place in the regional final. However, it was more than a little dramatic, it took two tiebreakers for us to finish in 3rd place (it was more nervous than a penalty shoot out for me!). The team answered the final tiebreak question correctly – What two animals are on Scotland's coat of arms? Do you know?

Well done to Lucy, Oliver, Ellis and Morgan for a fantastic effort!

Bringing home a large cheque for £75 and a smaller one that we can put in the bank.

Rights Respecting Schools

Article of the Fortnight - Article 28

Right to education - creating a learning environment that promotes mutual respect, collaboration, and constructive dialogue.

Our RRS Vertical Group have set some challenges for you to do at home.

How many can you complete?

- Speak in a nice manner to everyone (Leoni/Amelia)
- Always use good manners at home and at school (Evie/Skylyr/Myla)
- Respect your parents and teachers (Andrew/Kruz)

Football

Our football squad worked brilliantly as a team on Tuesday (18th) at the Whitburn Area Festival. They played 6 games – scored 7 goals, conceded 6 and kept 3 clean sheets. Well done Kai, Daniel, Tyler, Jakob, Ellis, Sophie, Nojus, Caleb, Rhys, Cooper, Archie, Chloe & Kaitlyn!

Updates & Reminders

- Ethos Survey 2024-2025: Primary - Parents/Carers

Health Week

Different classes will be doing different activities on different days but here is an overview.

Monday 31st – Activities – Football, mindfulness, Dancing, badminton, litter pick

Tuesday 1st – Activities – Athletics, P5/4- P6 & P7 swimming, outdoor learning, obstacle course, litter picking

Wednesday 2nd – Activities – Judo, fruit kebabs, Your Space, litter pick

Thursday 3rd – Activities – P5 & P4 swimming, Rugby, outdoor learning, fruit kebabs, first aid for P5 – P7

Friday 4th – Church service

Nursery

This week in nursery, the children have been developing their knowledge of Worm life cycles. Some of the children had found worms in our garden which led to the children finding 'Worms' in our wormier in our nursery, we had lots of fun investigating them. The children have also been learning the properties of a flower and the different kinds of flowers in our garden. We are developing our knowledge to care for living things. Mrs McLeary has successfully trained in PEEP so keep a look out for parent groups starting.

Diary Dates
