

Falla Hill

P4 Assembly, was brilliant! It is terrifying to think that I was at primary school when 'Walk like an Egyptian' was topping the charts – I am surprised Mrs Hunter knew the song...

The assembly showcased the huge range of learning in P4 and the creativity involved in their Egyptian topic. Children leading their own learning across the whole topic – beautifully demonstrated by Maisie and Ruby choreographing and performing their own dance routine to 'Walk like an Egyptian'.

All teachers are participating in ESTEAM moderation with Whitburn Cluster schools this afternoon (Friday 25th) showing off the learning we have done around the themes between Christmas and Easter. We hope you enjoyed viewing the showcase when you were in for parents evening. A huge thank you to Mrs Charnley for pulling it together (there are 104 slides showing off our learning – it's outstanding) and the staff and children for producing such amazing work.

P2 & P3 Planet

P4 working on their models

P5 & P5/4 designing and building

Just some of the examples of the range of learning creativity involved in the ESTEAM project. P6 & 7 also produced and designed forms of communication for reaching out to a new planet
