Absolutely, fantastic Achievement for All Assembly last week (6th) – we have found out so much about the talents and outside interests of so many pupils. From dancing and football to entrepreneurship and charity fundraising via gymnastics, martial arts, swimming and just young people growing in confidence and enthusiasm.

Well done to them all!

P1 Assembly

So proud to see the growth and development of our P1s from when they came in as 4 year olds or just turned 5. They were so confident and showed lots of learning in their assembly. It was lovely to see how supportive they were of each other and how much they enjoyed their animals topic.

Falla Hill STEM Stars

Falla Hill Primary School has some new STEM Stars as Geraldine Armstrong, Quality Improvement Manager, was delighted to be able to share in the success of the Nursery, P1 and P2/1 children who gained their CREST Passports and Certificates at their End of Year Achievement Assembly.

Updates & Reminders

- Gala Day tomorrow, some of the front gardens are very impressive – good luck to all our participants
- Caught being good over the last fortnight – being polite to others were Conner & Rhys in P7 and Frank in P1!

Nursery

“This week in nursery we have enjoyed lots of discussions about our topic “A bugs life”, increasing our knowledge of different bugs and where they live. We have spotted some bugs in our garden too. Some of the children went to Crofthead Care Home and made gluck with the residents, we had lots of fun.”

Fantastic @ Falla Hill

Reaching for the Stars

Reaching for the Stars is where children demonstrate being a responsible citizen, effective contributor, confident individual or a successful learner – which are the four capacities for learning in the Curriculum for Excellence.
