

# Falla Hill

Well done to Primary 5 who presented a wonderful assembly on Friday. It was clear how much they have enjoyed learning about dinosaurs and were able to show their learning in so many ways. It was lovely to see how confident they all were delivering their parts.

Last week in primary 1 they were working hard learning all about symmetry, in primary 4 they were trying to persuade people that the pyramids were the greatest buildings ever built and in primary 7 they were learning how to calculate the perimeter of a shape. In primary 5 they were busy practising for their assembly, in primary 6 they were involved in making potions and in primary 2 they were engaged in comparing volume. In primary 3 they were making fraction sundaes and in primary 3/2 they enjoyed learning about Mary Queen of Scots. What a range of learning!

## Kids Gone Wild!

All classes have now taken part in two Kids Gone Wild sessions in the forest and the feedback from the children has been fantastic. Although these Kids Gone Wild sessions have come to an end, our aim is to build on this experience to continue developing the outdoor curriculum here at Falla Hill, building confidence and resilience, and making use of the incredible outdoor space around us.

“The slack line was really fun. It really challenged me because it was tricky to cross but I did it.” Jessica, P5

“I liked it when we were playing and then we did ‘sticky boots’ to all come back together. I liked high-fiving all the trees.” Teddy, P1

“I liked collaborating to make pyramids in the forest. We had to work together to find sticks and different things to use.” Norah, P4

## Falla Hill Savers: Raising Awareness

### Nursery

'This week in nursery, the children have continued their learning for our topic which has led to lots of discussions of how to keep our bodies healthy and what are our favourite foods. The blue group went to the forest and we saw the start of spring around the woods. Out in the garden, some of the children have been drawing around themselves and discussing our different heights.'

### Updates and reminders

- Mrs Burns and Mrs Howley have been eagerly planning health week which will take place between Monday 23<sup>rd</sup> March and Thursday 26<sup>th</sup> March. On these days children can wear PE kit.
- If you need support setting up parent portal please contact Mrs Hughes. This is the platform we will be using to book parent consultation appointments.
- **Please complete the 2025-2026 Parent Ethos Survey. The link will be live until the 24<sup>th</sup> April 2026.** <https://forms.office.com/e/aA3SjxXzAQ>

### Caught Being Good

Caught Being Good – this fortnight is linked to our value of collaboration and Article 2 - All Children have these rights no matter what their differences are.

Including others and playing fair

### **Fantastic @ Falla Hill**

Reaching for the Stars

Reaching for the Stars is where children demonstrate being a responsible citizen, effective contributor, confident individual or a successful learner – which are the four capacities for learning in the Curriculum for Excellence.

**Confident Individuals**

**Responsible Citizens**

**Effective Contributors**

**Successful Learners**
